MCMRC came into existence way back in 2008 when the management felt the need of expanding its wings by imparting management knowledge to the aspiring graduates.

VISION

"Nurturing Future Leaders And Change Agents"

MISSION

To build up all round personality of students by making them not just outstanding Professionals but also develop a sense of right and wrong and a carving for perfection

Good Management Is The Art Of Making Problems So Interesting And Their Solutions So Constructive That Everyone Wants To Get To Work And Deal With Them.

– PAUL HAWKEN.

Matoshri Education Society, Yeola Established in 2006 is sister concern of Jagdamba Education Society is growing at a faster pace. Initially Matoshri Education Society started with Diploma Pharmacy College at Babhulgaon, Yeola, later started Matoshri College of Management & Research Centre, Nashik and Matoshri College of Engineering & Research Centre, Nashik in the year 2008. Both the Colleges got overwhelming response from the students. MES belives in Serving all the streams from all the sections and areas of the society.

Today, MES has Nine educational institutions right from Pre-Primary school to the Management Institute. Future Plans of MES include expansion in various educational fields like Hotel Management, Nursing (B.Sc), Arts, Commerce and Science epecially for women and so on.

We all have a dream for making our country a Super Power as stated by Former President Dr. A.P.J. Abdul Kalam about ' Vision 2020' for India. We, at Matoshri Education Society and Jagadamba Education Society have accepted this challenge in the education field and are working hard for the same.

We at Matoshri Education Society and Jagadamba Education Society are taking efforts to overcome the backlog of technical and professional education in and around rural areas of Nashik District. Keeping this aim in mind, we started our first polytechnic college at Babhulgaon, near Yeola in 1995 under Jagadamba Education Society.

At present these two societies are running 22 different Institutes which Facilities technical education as well as professional education in rural areas.

At last we are expecting your kind support for this noble work.

Regards

“We Are What We Repeatedly Do. Excellence, Therefore, Is Not An Act But A Habit.”

– ARISTOTLE.

Director's Desk

Dr. Yogesh M. Gosavi

I am pleased to introduce to you the MBA Batch of 2015-17. The passing out batch comprises of students who are talented and highly motivated. Their diverse backgrounds will provide you with varied options as you seek bright young men and women to join your organization. This diversity has resulted in experimental learning and appreciation of varied cultures and tastes. At MCMRC, we have developed an environment that ensures rigor, encourages team work and expects excellence.

Our campus vibrates with various seminars, guest lectures and other co-curricular activities. They help out students to get insight into themselves and the soul, choose their lives' priorities and materialize their fondest dreams. We recognize our larger role of disseminating our knowledge and experiences towards the wellbeing of the society at large, while deeply engaged in the development of our future leaders and managers.

We look forward to building long term, sustainable and mutually beneficial relationship with your esteemed organization.

If You Pick Right People And Give Them
The Opportunity To Spread Their Wings And
Put Compensation As A Carrier Behind It,
You Almost Don't Have To Manage Them.

– JACK WELCH

Training and Placement Desk

Prof. Vikrant Aher

It gives me immense pleasure to introduce to you the strong contingent of executives that constitute the MBA class of 2016-17. The present business scenario is going through turbulent times. What the industry needs today is managers who are capable, adaptable, competent, diligent and creative as well as stable. At MCMRC, our students are well grounded and ready to take challenges, head on.

What makes students of MCMRC unique is the right values and attitudes which they develop. Hence the students are able to subsequently excel in the industry, not on the basis of cut-throat competition, but on the basis of cooperation with the team members. They are also taught to blend their managerial acumen with a profound sense of social responsibility, thereby aiming at sustainable growth for themselves, for the organizations with which they are associated and for the society in which they function.

It gives us immense pleasure once again to present to the corporate world, our partners in progress, the MBA batch of 2015-17 consisting of the best and brightest students, just like MCMRC has consistently demonstrated over the years. We look forward to a mutually rewarding association with you.

Coming Together Is A Beginning,
Keeping Together Is Progress;
Working Together Is Success.

– HENRY FORD

Physical & Knowledge Infrastructure

The campus covers large play ground and recreation space for students & faculties where various sports activities like cricket, football, volleyball etc are undertaken.

Academic Activities

Campus and Environment : The campus is spread over a natural landscape of 45 acres. Environment is eco friendly having silent, peaceful, noise free and pollution free atmosphere which makes the place an ideal place for learning.

Linkages with Society : The Institute undertakes various activities to serve different sections of the society by being actively involved in the societal structure of region.

Student Welfare : The student welfare officer for student service is the chief student's affair officer and is responsible for supervising all the matter relevant to student life . His primary responsibility is to enhance the general welfare of the students body and is an effective voice for the students administration and to interpret administrative policies to the student to assure continued development of high quality student campus life.

Matoshri Model : The college has come up with a new initiative under the guidance of Hon. Director Dr. Yogesh Gosavi who introduced Matoshri Model. he also started Matoshri Champions League and Matoshri forum. Matoshri Champions League includes a wide range of activities like Case Study Competition, Business Plan, Situation Analysis to name a few while Matoshri forum goes externally by inviting industrial experts and conduct mock interviews by which the students get an insight into the dos and donts as well as the selection procedure adopted in the industry. This finally helps in ultimate grooming of the student thereby giving him the final placement.

Placement Cell : The placement department at MCMRC is a vibrant, proactive enterprise that aims at securing for every student a meaningful placement in highly reputed national as well as multinational organizations.

Placement Committee : This committee is concerned with coordinating the activities like summer and final placement of the students. It manages all the activities right from designing and preparing the brochure till its distribution and placement of the students. The committee member approach various potential recruiters and invite them for conducting the campus interviews. This plays a very important role in securing the future of the students.

So far MCMRC has placed all the students of MBA in various renowned organisations like Ranbaxy, Merck India Ltd, Tablet India, HDFC, Dirk India Ltd., Videocon, Amul, ICICI prudential, Reliance Money, CEAT Tyres and so on.

Students Activities : MCMRC understands the importance of being pro-active. The student are motivated to organize and manage co-curricular and extra curricular activities. This cultivates in them the leadership skills, develop team spirit and co-operative nature through which the students learn

many aspects of management which may be difficult to stimulate within the confines of the classrooms. These activities are undertaken not only for learning the value provided by them, but also for the satisfaction which is experienced after the success of that job. Undiscovered talents and skills within the students are recognized during this process and students are motivated to apply and develop such skills & talents within them.

Academic Committee : This committee organises inter B -school debates, quiz, case study competition, symposium and few other contests with co-operation and participation of management.

Guest Lecture Committee : Guest lectures are organized on regular basis from various field ranging from corporate, academics and social world. During the guest lecture students get an opportunity to interact with and to share the experience of various personalities from diverse fields. Such guest lecture proves to acquaint them with the practical business world.

Industrial Interaction Committee : Regular visits are organized to the various Industrial units to acquaint the students with the work climate and culture of the organizations. Students are exposed to various functional areas and their operations. These visits help in building healthy long term relationships with the industrial world.

Sports Committee : Sports are the integral part of student's life in this institute. Sports like cricket, football, volleyball, indoor games like carom, chess etc. develop sportsmanship spirit and stamina with in the students to achieve their goal in future.

Cultural Committee: The institute has culture of its own which is the combination of self discipline, ethics, human values and relationship. This committee organizes various cultural events from time to time like picnics, festivals, days and an annual management event - "EFFLUX"

EFFLUX as the name suggests is stream; a stream of talents. It is a management cultural program which brings together the "Best of the Breed" B - school fraternity on one single platform. This program is fully organized and managed by the students of MBA part 1.

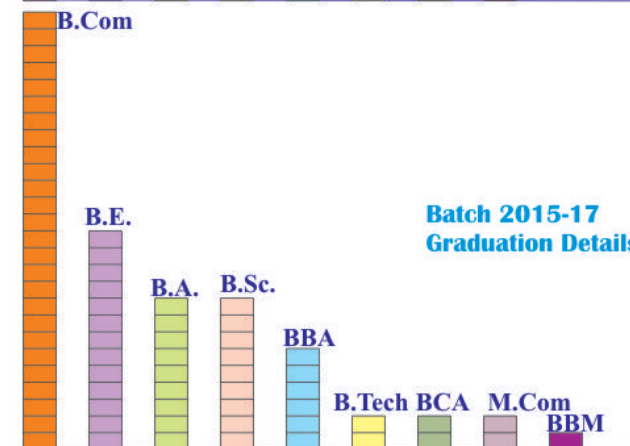

The purpose behind organizing this event is to inculcate and induce a sense of responsibility and cooperation in the management students. The objective is to shoulder them responsibility and develop their organizing skills and capabilities.

Managing the event is in itself a great experience for the organizers and participants as well. It provides a platform wherein the young talents descent to indulge in healthy competition of wits, wisdom, ideas, character and histrionics. EFFLUX aims at developing over all personality of the students in today's competitive global scenario.

Specialization Wise Status of Batch 2015-17

MCMRC has always prided itself on the quality of students that get into the institute.

The batch of 2015-2017 is not different. MCMRC has the perfect blend of students coming from varied education background and diverse industry experiences.
