REPORT OF HISTORICAL PLACE VISIT

Class: MBA Part I and Part II.

Date of Visit: 28th September 2024.

Name of Historical Place: Ramshej Fort, Nashik.

A Historical Place visit was organized with the permission and guidance of Hon. Director Dr. Y. M. Gosavi to Ramshej Fort, Nashik. Students were accompanied by all the Staff Members. All the students with Staff left the premises on 28th September 2024 at 10:00 AM by the Travel bus.

The state of Maharashtra is a blessing that embodies the fusion of many customs and cultures. The great pride of our state is its enormous antique monuments and their breathtaking beauty. They provide us with a clear image of Maharashtra and ancient India. The main feature that grabs our interest is the design of these monuments. It is challenging to keep our eyes from always seeing them, whether they are real or only in literature.

Ramshej literally means Lord Ram's bedstead. While in exile, Lord Ram had made this place as his residence for some time, which gives the fort its name. During reign of Sambhaji, Aurangzeb came to Maharashtra with the motive to destroy Hindavi Swarajya completely. Nashik was under the command of Mughals. Since Ramshej is near Nashik, the Mughals thought it would be the easiest to conquer it but proved to be a hard nut to crack. Shivaji Maharaj's son Sambhaji and his army resisted these attacks for almost 6 years. One can find the references to this battle well fought by brave Maratha warriors from Mughal letters. The historical visit was completed successfully and students learned many management tactics practiced by Maratha Empire.
